a. Block party: Sept 25th is the date. No word on Barricades, we have sufficient signatures for block party. Barbara will call Climb Time Fitness. Last year Climb Time was present from 4:30 to 6:30. (Cost estimated at \$150.00 an hour), Lorraine will inquire about donations. Jocelyn will call the movie theater to procure popcorn. Jocelyn suggested providing a suggestion box for residents to provide input on improving neighborhood/GLNA. Katyann suggested providing snow cones. Linda Sillery will provide button maker. No pumpkins will be provided this year, apples though shall be provided! Jocelyn suggested providing bubbles for blowing. Dennis will provide a putting green.

b. News from 8872 Falkirk Court: Barbara has called Carlos for tree cutting date and has not heard back. Wes has received consent for tree cutting. Barbara will look into cost of removing both trees instead or removing one and just trimming the other.

c. Vehicles parked in city code violation and other property maintenance issues: 9434 Hadway residence had a guest leave a green Toyota, vehicle has since been removed. Dennis McKearn went to some effort to present possible Code Violations for discussion. Consensus was to call MAC on most and let them make the decision. Trailers with trucks and/or boats can be stored in yards. 8861 Burwick most likely has been foreclosed and grass is over 13". 9358 Haddington has a commercial trailer with name on side (Freiji Company, engineers etc.) parked in driveway. 9312 Hadway yard unkempt and large dirt pile with weeds present. Dennis will call/contact Noel Malatestinic for advice on these concerns. The website "Municode.com" may be a useful site for checking city ordinances.

d. YOM Selection: 3 nominations: 9345 Champton drive, 8815 Burwick Drive, 9250 Powderhorn Lane. Winner was 9250 Powderhorn lane! Karen McKearn has bought supplies for two more yard of the month signs. Katyann will reimburse Karen, and next month potentially GLNA will vote on 3 homes.

e. Decision regarding GLNA Liability Policy: Lorraine Snider presented information on the insurance policy. If we want to bond position of treasurer we will need to talk to an insurance agent. We have no coverage for “wrongful” use of neighborhood funds. Have had that in the past and decided to drop due to exorbitant cost. Decision was to leave current policy (pay this month) until next year when current policy is up, and then look into bonding treasurer position.

f. Complaint about Dogs at Brunson and Helmsdale, residence dog attacked another resident’s dog while walking.

g. Next meeting: at Linda Sillery's September 14th, 9506 Hadway

h. Adjourn meeting 9:21
