Location: Home of Linda Sillery, 9506 Hadway Dr.

- 3.) **Review of minutes:** Last meeting was on July 26, 2012. Mike motioned to approve and Linda seconded. The annual block party was not held this Fall due to lack of Chairmanship and help due to ton of work involved and minimum results from the effort. Motion carried.
- 4.) **Financial Report:** Current bank balance is \$9091.55. A total of 161 homes have paid dues or 45%. 27 homes paid an extra \$1000. Expenses have fallen due to summer drought and no expense for annual block party, but it was also noted that dues have fallen off due to poor economy. Barbara motioned to approve and Diane seconded.

The holidays are approaching. Security issues will also be put into the upcoming neighbor newsletter.

- 7.) **New Business:** Linda suggested a special salute be given to neighbors (who are not on the board) who have helped out other neighbors-in time of need. Their names would be mentioned in the forthcoming newsletter.

Barbara has a \$25.00 coupon for on line orders at Staples which could possibly be used for neighborhood sign expenses. Dennis will pick up YOM signs at end of month. The Mayor's Action Committee has ruled that the commercial business vehicles at 9358 Haddington Dr. must be kept parked on the street and not in the Home owner's driveway.
